

# nail your style ON THE AISLE

## 3 PRO TIPS

- 1 CHOOSE YOUR HAIRSTYLE STRATEGICALLY**  
If rain or humidity could foil your Plan A goddess waves, have a Plan B updo that you love.
- 2 WASH YOUR HAIR THE NIGHT BEFORE**  
Your natural oils will give your tresses far more staying power than squeaky-clean locks.
- 3 SCHEDULE 30-45 MINUTES EXTRA**  
You'll probably be interrupted a million times during your hair & makeup appointment — and no one needs the stress of running behind on her wedding day.
